

**MARSHALL COUNTY  
FLOODED FARM LAND APPLICATION**

**Requirements:** *Complete one form per parcel. The most recent FSA map must be attached to this application, with wet acres highlighted. Incomplete applications will not be considered.*

- Criteria:**
1. Land inundated & not farmable for past 3 growing seasons. (SDCL 10-6-33.21)
  2. Land that is in CRP or other programs where payment is received is not eligible. Land receiving preventative plant payments does not qualify.
  3. Application must be made on an annual basis. Form must be completed & returned to the Director of Equalization office by **November 1, 2020**, for consideration for your 2021 assessment (taxes payable in 2022).

TOWNSHIP: \_\_\_\_\_

OWNER'S NAME: \_\_\_\_\_
