

The Fort township board has reviewed the request by Danny and Kaela Zenk to build a house along the road in Sec 18 125-56. We have no objections to the placement of the house. The township road leading to their driveway is a minimum maintenance road. Past their driveway the township road is not maintained or snow removal and leads to a dead end. It will not affect the township road in any way.

James Michlitsch. Chairman

A handwritten signature in blue ink that reads "James Michlitsch". The signature is written in a cursive style with a large initial 'J'.

Dennis Fagerland. Clerk

A handwritten signature in blue ink that reads "Dennis Fagerland". The signature is written in a cursive style with a large initial 'D'.
